

§ 760.207

7 CFR Ch. VII (1–1–11 Edition)

(2) Adequate proof that the death of the eligible livestock occurred as a direct result of an eligible loss condition in the calendar year for which payment is requested.

(3) If adequate verifiable proof of death documentation is not available, the participant must provide reliable records, in conjunction with verifiable beginning and ending inventory records, as proof of death. Reliable records may include: Contemporaneous producer records, dairy herd improvement records, brand inspection records, vaccination records, pictures, and other similar reliable documents, as determined by FSA.

(4) Certification of livestock deaths by third parties will be acceptable for eligibility determination only if verifiable proof of death records or reliable proof of death records in conjunction with verifiable beginning and ending inventory records are not available and both of the following conditions are met:

(i) The livestock owner or livestock contract grower, as applicable, certifies in writing:

(A) That there is no other verifiable or reliable documentation of death available;

(B) The number of livestock, by category as determined by FSA, was in inventory at the time the applicable loss condition occurred;

(C) The physical location of the livestock, by category, in inventory when the deaths occurred; and

(D) Any other details required for FSA to determine the certification acceptable; and

(ii) The third party is an independent source who is not affiliated with the farming operation such as a hired hand and is not a “family member,” defined as a person to whom a member in the farming operation or their spouse is related as a lineal ancestor, lineal descendant, sibling, spouse, or otherwise by marriage, and provides their telephone number, address, and a written statement containing specific details about:

(A) Their knowledge of the livestock deaths;

(B) Their affiliation with the livestock owner;

(C) The accuracy of the deaths claimed by the livestock owner or contract grower including, but not limited to, the number and kind or type of the participant’s livestock that died because of the eligible loss condition; and

(D) Any other information required for FSA to determine the certification acceptable.

(f) FSA will use the data furnished by the participant and the third party to determine eligibility for program payment. Furnishing the data is voluntary; however, without all required data program, payment will not be approved or provided.

§ 760.207 Notice of loss and application period.

(a) In addition to submitting an application for payment at the appropriate time, the participant that suffered eligible livestock, honeybee, or farm-raised fish losses that create or could create a claim for benefits must:

(1) For losses during calendar year 2008 and in calendar year 2009 prior to September 11, 2009, provide a notice of loss to FSA no later than December 10, 2009;

(2) For losses on or after September 11, 2009, the participant must provide a notice of loss to FSA within the earlier of:

(i) 30 calendar days of when the loss is apparent to the participant or

(ii) 30 calendar days after the end of the calendar year in which the loss occurred.

(3) The participant must submit the notice of loss required in paragraphs (a)(1) and (a)(2) of this section to the administrative FSA county office

(b) In addition to the notices of loss required in paragraph (a) of this section, a participant must also submit a completed application for payment no later than:

(1) 30 calendar days after the end of the calendar year in which the loss occurred or

(2) December 10, 2009 for losses that occurred during 2008.
